***Park in the lot on the corner of Kilbourn and Milwaukee and enter through**
the back doors of the church.

Join us as our Scripture Sharing group continues with four powerful letters from the New Testament. In just four short sessions, we'll look at the Letter of James, and the three Letters of John. These small and mighty letters have lots of insight for us in our daily lives!

All are welcome! Come to one or come to all, we'd love you have you join us! Bring a bible if you have one. There will also be extra Bibles available for you to use if you don't have one of your own.

Reading Plan:

Week 1, April 12: James 1-3
Week 2, April 26: James 4-5
Week 3, May 10: 1 John 1-3
Week 4, May 24: 1 John 4-5; 2 John; 3 John

If you're able, read and pray with the chapters for the week ahead of time. Each time you read, you can ask yourself these questions:

What caught your attention in this reading or resonated with you in a particular way? Why?

What questions does this reading bring up for you?

How can I live out what I have read in my daily life?
