Environmental Justice: Why Should We Care?

Sacred Scripture calls believers to care for God's creation and all God's children.

As creation unfolded under God's loving hand, God saw all that he had made and found it "very good" (**Gen 1:31**)

Themes that apply in a particular way to the Church's concern for the environment are:

- **Respect for human life and dignity;**
- **Promotion of the common good and the virtue of solidarity;**
- **Responsibility to the poor and vulnerable, who are most affected and least heard.**

Parishes, diocese and other Catholic organizations are encouraged to bring about a discussion on the environment that is civil and constructive and that invokes the virtue of prudence as we seek solutions and are responsive the needs of the poor. Please consider joining our **Environmental Justice Ministry**, which meets on the second Tuesday of the month at 6:30 pm at the Parish Office, to help further develop our work that focuses on **Creation Care**.
